EXPERIENCE

Avoda Company, Gabi, Cordova — *Web Developer(WordPress)*

SEPTEMBER 2024 - DECEMBER 2024

- Developed responsive WordPress websites from scratch based on project requirements.
- Collaborated with designers to transform UI/UX designs into functional and visually appealing websites.
- Redesigned existing websites and improved their layout, functionality, and user experience.
- Maintained and updated websites to ensure proper functionality and up-to-date content.
- Tested website responsiveness and compatibility across different devices and screen sizes.
